**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I fully support broadband competition. I continue to tell anybody that will listen that we need it and to let their representatives know that they will vote accordingly.

Please do the right thing. The future of the internet depends on it. Dont fix what isnt broken.

I feel for rural internet users who will have no choice and will only have one provider to choose from. That is not healthy competition.
